ON PETITION

This is a decision on the petition under 37 CFR 1.10 ( c ) filed June 28, 2005 to correct the filing date to July 12, 2004, rather than a filing date of July 13, 2004.

Petitioner alleges that the application was deposited in Express Mail service on July 12, 2004. In support, petitioner supplied a copy of Express Mail Label No. EL903259575US (the same Express Mail number found on the transmittal sheet accompanying the original application papers located in the official file). The "date-in" on the Express Mail Label is July 12, 2004.

In view of the above, the petition is **GRANTED** and no petition fee is due.

The filing date has been corrected to July 12, 2004. This matter is being referred to the Office of Initial Patent Examination for issuance of a corrected filing receipt.

Telephone inquiries related to this matter should be directed to the undersigned Petitions Attorney at (571) 272-3212.
